

**2008 ONTARIO SUMMER GAMES
AUGUST 13 - 16, 2008
CONNAUGHT RANGES
OTTAWA, ONT.**

I'd have to say the 2008 Ontario Games Rifle Shooting event went off very smoothly. We could hardly have had better weather for it - three excellent days. We hope everyone enjoyed the competition and had a safe trip home.

My thanks to Serge Bissonnette for all his help setting things up - we had only to ask for something and he got it. I want to give my sincere thanks to the scoring crew: Rick Lanning and four we recruited from the people who came along with the competitors - Kevin and Nancy Inchley, Cindy Baldwin, and Bill Light. They put in a lot of time and did an excellent job; we had two challenges - won one, lost one. Thanks also go to Wayne Morris, Keith McAllister and David Elliott who looked after the range and did much of the organizing. Larry Whitmore wasn't present, but he did much of the pre-match organization and must be thanked.

We also thank Lisa MacLeod (MPP Nepean-Carleton) for attending and giving a speech at the medal presentations; and Ken Bessant (Telus) who assisted us in the presentations.

Lou Anderson, Chief Stats Officer
